DIGITAL ASSETS ACADEMY

IMPORTANT ADVISORY NOTICE

D A Academy operates a structured digital education and community development model incorporating **blockchain-based systems.**

Participation in cryptocurrency and blockchain-related activities involves **financial, technological** and **operational risks.**

Participants should:

- Conduct their own comprehensive due diligence
- Understand the applicable terms and conditions
- Evaluate the risks before participating
- Make informed decisions based on their individual circumstances

Risk Disclosure: Past or illustrative examples do not guarantee future results. Any income or reward figures presented in this presentation are for illustrative/educational purposes only and should not be interpreted as guaranteed returns.

ABOUT D A ACADEMY

Digital Assets Academy

D A Academy is positioned as a **digital education** and **community platform** focused on helping participants understand emerging digital technologies, digital assets and blockchain-based ecosystems.

Our Focus

- Digital Asset Education
- Blockchain Awareness
- Community Development
- Structured Learning
- Digital Technology
- Practical Understanding

Learn Today • Build Knowledge • Explore Tomorrow

D A ACADEMY
DIGITAL ASSETS ACADEMY

D A ACADEMY ECOSYSTEM

Learn • Understand • Participate • Grow

EDUCATION

Structured educational packages designed to introduce participants to digital assets and related concepts.

COMMUNITY

A structured community development model based on participation, referrals and package progression.

TECHNOLOGY

Blockchain and digital technology concepts form an important part of the educational ecosystem.

DEVELOPMENT

Learning, community participation and structured progression are presented as interconnected components.

INCOME DISTRIBUTION

EDUCATION PACKAGE

20 LEVELS

$20

$0.50 per level

COMMUNITY GROWTH

Direct Associate Income	20%
Single Leg Co-Matrix Income	50%
Upgrade Package	20%
Club Loyalty	10%

Distribution is presented according to the structure shown in the supplied Academy reference material.

D A ACADEMY
DIGITAL ASSETS ACADEMY

20 LEVEL REWARD POTENTIAL

EDUCATION PACKAGE INCOME

20 Levels × $0.50

The reference model illustrates a level-based distribution structure where eligible levels may generate the stated reward according to the applicable income chart.

Example

Rate per Level: $0.50

The examples shown in the reference material are based on different numbers of participating people and are presented as potential/illustrative rewards, not guaranteed income.

If People	Rate $	Reward $	Total Reward $
2	$0.50	$1	$12
20	$0.50	$10	$120
200	$0.50	$100	$1,200
2,000	$0.50	$1,000	$12,200
20,000	$0.50	$10,000	$120,000
200,000	$0.50	$100,000	$1,200,000

LEVEL WISE REWARD

Level	Reward	Level	Reward
1	$0.50	11	$0.50
2	$0.50	12	$0.50
3	$0.50	13	$0.50
4	$0.50	14	$0.50
5	$0.50	15	$0.50
6	$0.50	16	$0.50
7	$0.50	17	$0.50
8	$0.50	18	$0.50
9	$0.50	19	$0.50
10	$0.50	20	$0.50

Distribution is presented according to the structure shown in the supplied Academy reference material.

HOW THE MODEL WORKS

01 LEARN

Understand digital assets, blockchain and the Academy ecosystem.

02 PARTICIPATE

Select and participate according to the applicable package structure.

03 CONNECT

Build a community through eligible direct and referral participation.

04 PROGRESS

Move through the defined package, cycle and recycle structure.

05 DEVELOP

Continue learning and developing your understanding of the digital ecosystem.

LEARN » PARTICIPATE » CONNECT » PROGRESS » DEVELOP

D A ACADEMY
— DIGITAL ASSETS ACADEMY —

KEY FEATURES

STRUCTURED EDUCATION

A defined educational package framework.

COMMUNITY DEVELOPMENT

A structured community participation model.

LEVEL-BASED STRUCTURE

Multiple levels within the education income model.

CYCLE & RECYCLE

Defined 10-ID cycle and recycle framework.

PACKAGE PROGRESSION

Structured package progression from $10 upward.

CLUB RECOGNITION

Rank-based recognition and reward structure.

D A ACADEMY
DIGITAL ASSETS ACADEMY

RESPONSIBLE PARTICIPATION

Before participating, users should:

1. Understand the complete structure
2. Review all applicable terms and conditions
3. Conduct independent research
4. Understand financial and technology-related risks
5. Never participate with funds they cannot afford to lose
6. Seek independent professional advice where appropriate

EDUCATION FIRST • INFORMED DECISIONS • RESPONSIBLE PARTICIPATION
